What personally identifiable information does MY KART, LLC (MYKART) collect from me and for what purpose?

My Kart will be collecting all information you enter on mykartapp.com and The Mykart App. Because there are two different accounts, customers and sellers, we will be collecting different information depending on the account you choose to use. For both accounts you will have to provide Name, email, password to create an account. Additionally, for the Sellers account you would have to provide your business name when registering. This information is necessary to provide the services we offer through our Site and App and to provide updates and promotional opportunities to our customers. You have the right at any time not to share your personal information; however, you would not be able to use the Mykart app or Site.

What are cookies and how do we use them?

As part of offering and providing customizable and personalized services, we use cookies to store and sometimes track information about you. A cookie is a small amount of data that is sent to your browser from a web server and stored on your computer's hard drive. All sites on Mykart where you are prompted to login or that are customizable require that you accept cookies. (See "What are my choices regarding collection, use and distribution of my information?" for more information on cookies.)

Generally, we use cookies to:

(1) Remind us of who you are and to access your account information (stored on our computers) in order to deliver to you a better and more personalized service. This cookie is set when you register or "Sign In" and is modified when you "Sign Out" of our services.

(2) Estimate our audience size. Each browser accessing our site is given a unique cookie which is then used to determine the extent of repeat usage, usage by a registered user versus by an unregistered user, and to help target advertisements based on user interests and behavior.

(3) Measure certain traffic patterns and your visiting patterns in the aggregate. We use this research to understand how our users' habits are similar or different from one another so that we can make each new experience on our site a better one. We may use this information to better personalize the content, banners, and promotions that you and other users will see on our sites.

With whom does My Kart share my information?

As a general rule, we will not disclose any of your personally identifiable information except when we have your permission or under special circumstances, such as when we believe in good faith that the law requires.

What are my choices regarding collection, use, and distribution of my information?

We do not sell or rent user information to anyone. We will notify you at the time of data collection or transfer if your data will be shared with a third party and you will always have the option of not permitting the transfer.

What is My Kart's policy on allowing me to update, correct, or delete my personally identifiable information?

You may edit your Account Information at any time by using your My Kart user Id and password. If you have forgotten your password, please request a new password through the link. For all other problems signing in to Mykart, please email support@mykartapp.com

How does My Kart protect my personal financial information?

Keeping your personal financial information private is vitally important to us. We use industry standard, SSL (secure socket layer) encryption. Your personal financial information will be collected by the merchant processor, currently Stripe, who will collect payment for your sale or purchase and you must agree to their Terms and Conditions to submit your financial information.

What security precautions are in place to protect the loss, misuse, or alteration of my information?

Your Account Information is password protected so that you and only you have access to this personal information and you may edit your Account Information by using your user ID and password.

We recommend that you do not divulge your password to anyone. We will never ask you for your password in an unsolicited phone call or in an unsolicited email. Also remember to sign out of your account and close your browser window or app when you have finished your work. This is to ensure that others cannot access your personal information and correspondence if you share a computer with someone else or are using a computer in a public place.

When you provide us your personal information, that information may be sent electronically to servers outside of the country where you originally entered the information, such as to the United States or other countries. In addition, that information may be used, stored and processed outside of the country where you entered that information. Whenever we handle your personal information as described above, regardless of where this occurs, we take steps to ensure that your information is treated securely and in accordance with the relevant Terms and Conditions of Use and this Privacy Policy.

Unfortunately, no data transmission over the Internet can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, My Kart cannot guarantee the security of any information you transmit to us or from our online products or services, and you do so at your own risk. Once we receive your transmission, we make our best effort to ensure its security on our systems.

What about children's privacy?

Naturally, the safety of children is very important to us and we do not knowingly collect information from children under the age of 13 and have adopted policies to ensure compliance

with the Children's Online Privacy Protection Act of 1998 ("COPPA"). My Kart is a general audience mobile app. Children should always ask a parent for permission before sending personal information to anyone online. In addition, My Kart will not knowingly send any direct email offers to users who indicate they are under the age of 13. In addition, we will delete any information in our database that we know originates from a child under the age of 13. We strongly recommend that parents participate in their children's exploration of the internet and any online services and use their browser's parental controls to limit the areas of the internet to which their children have access.

Your Email Address & Opt-Out Options

We only collect and hold your email address in order to send information and services you have specifically requested and to notify you of new developments, products, services, trainings, or events. You can unsubscribe at any time. If we send you an email, it will contain an opt-out link which you can click to have your name removed from our e-mail list. If you ever have a problem with your subscription, or wish to be completely removed from our contact list feel free to contact us at support@mykartapp.com

What else should I know about my privacy?

Please keep in mind that whenever you voluntarily disclose personal information online, for example on message boards, through email, or in chat areas that information can be collected and used by others. In short, if you post personal information online that is accessible to the public, you may receive unsolicited messages from other parties in return.

Ultimately, you are solely responsible for maintaining the secrecy of your passwords and/or any account information.

Changes to Privacy Policy

This Privacy Policy is subject to change from time to time at the sole discretion of My Kart, LLC. We will notify you via email or on our app if there is a change in the Privacy Policy.
